11:55 – 12:20	Q&A: How to write a chest pain pathway		FGM - An Overview Dr Momoh Comfort	Retrieval Medicine in Scotland Dr Alasdair Corfield

12:20 – 13:20	Lunch break Exchange Hall Optional Lunch session – Charter 4 United Medicine			
	Auditorium: THE ROD LITTLE PRIZE Chairs Professor David Yates and Dr Rick Body	Charter 4: HOT CONTROVERSIES Chair Dr Scott Carrington	Exchange 1: APEM ELIZABETH MOLYNEUX PRIZE Chair Professor Andrew Rowland	Exchange 2 & 3 TRAINING AND CAREERS IN EM Chair Professor Suzanne Mason
13:20 – 13:45	Introduction by Professor David Yates RCEM Rod Little Prize 6 x 15 min (more info on page XYZ)	Q&A Sepsis: Sorting Out The Confusion Dr Scott Weingart and Mr Paul Mouncey	APEM Elizabeth Prize 6 x 15 mins (more info on page XYZ)	Should trainees be in the Resus Room? Insights from the EDIT study Professor Suzanne Mason
13:45 – 14:10		Where Next for Emergency Medicine Ultrasound? Assistant Professor Mike Mallin, Dr Matt Dawson, Dr Rajat Gangahar and Dr Erik Sloth		Q&A: Training in Emergency Medicine Professor Suzanne Mason; Dr Jeremy Faust; Dr Richard Carden
14:10 – 14:35		How can we make point of care testing work? Dr Josip Stosic		Q&A: Women in Emergency Medicine Professor Suzanne Mason; Dr Rosemary Morton; Dr Natalie May
14:35 – 15:00		Work around the clock! Dr Katherine Henderson		Something Something Oranges Something (And why Emergency Medicine is a great career) Dr Jon Argall
15:00 – 15:30	Refreshment break Exchange Hall Optional Break session – Charter 4 – CAERvest			
	Auditorium: THE RESUS ROOM Chair Dr Scott Carrington	Charter 4: COMMERCIAL RESEARCH Chair Dr Rick Body	Exchange 1: APEM Chair Dr Natalie May	Exchange 2 & 3: THE SCIENTIFIC BASIS OF TRAUMA MANAGEMENT Chair Professor Jason Smith
15:30 – 15:55	Do We Need to Measure Fluid Responsiveness in the ED? Professor Timothy Harris	Meet the EMJ Editor Dr Ellen Weber	PERUKI Update Dr Mark Lyttle	Haemostatic Resuscitation - The Clinical Context and Summary of Clinical Research Dr Tom Woolley

15:55 – 16:20	Sepsis in 2015 Dr Ron Daniels	Meet the EMJ Editor Dr Ellen Weber	Evolution of Paediatric Trauma Care Dr Nandini Sen and Dr Lorcan Duane	Haemostatic Resuscitation - Laboratory Research that Underpins Clinical Practice Dr Emrys Kirkman
16:20 – 16:45	Cut to Cure Dr Scott Weingart	Commercial Research: How to Get involved Prof Klaus Duigi	The Role of The Advanced Clinical Practitioner (ACP) in the Children's Emergency Department Dr Gareth Evans	16:20 – 16:30 Q&A: Haemostatic Resuscitation with Focus on Blood Product Resuscitation
				16:30 – 16:55 Is There a Clinical Need for REBOA? - A Clinical Gap Analysis and Early Research Mr Jonathan Morrison
16:45 – 17:10	Is Medication of Any Value in a Cardiac Arrest? Professor Gavin Perkins	The UK Emergency Medicine Clinical Studies Group Dr Alasdair Gray	The Next Card in the Box: Surviving and Thriving in EmFergency Medicine Dr Jo Potier	16:55 – 17:20 Mitigation of Ischaemia Reperfusion Injury Dr Sarah Watts
17:10 – 18:10	NON TRAINEE TOP SCORING FREE PAPERS (4 x 15 min)	Running a successful Emergency Medicine research team Ms Rachel O'Brien and Professor Alasdair Gray	APEM Annual General Meeting	17:20 – 17:30 Q&A:
		Research in Emergency Medicine Panel discussion and Q&A		17:30 – 18:00 Lessons Learned and Impact on Clinical Resuscitation Practice Over a Decade of Combat Casualty Care Research Dr Emrys Kirkman
				18:00 – 18:10 Final Questions and Wrap Up
18:10	Close of Day			
19:00	Gala Dinner Midland Hotel (for pre-registered guests only)			

Wednesday, 30th September 2015

08:45 – 09:00	Registration and Refreshments Foyer			
09:00 – 09:15	Rod Little and Young Investigator Awards Ceremony Dr Clifford Mann and Professor Alasdair Gray			
09:15 – 09:45	The David Williams Lecture: The NHS Response to Ebola Professor Anthony Redmond Professor of International Emergency Medicine, Salford Royal Hospital			
09:45 – 10:15	Keynote Lecture: 'Haruspex' Mr Roy Lilley Independent Health Policy Analyst, Writer and Broadcaster			
10:15 – 10:45	Refreshment Break Exchange Hall			
	Auditorium: A LOOK OUTSIDE EM Chair Dr Richard Parris	Charter 4: #FOAMed Chair Dr Simon Laing and Dr Natalie May	Exchange 1: FREE PAPERS Chair Dr Alastair Pickering	Exchange 2 & 3: EMERGENCY PHYSICIANS AND WELLBEING Chair Dr Susanne Hewitt
10:45 – 11:10	The Future Interface Between Primary and Secondary Care Dr Maureen Baker	Myths and Misconceptions Dr Simon Laing	RCEM Free Papers 6 x 15 mins (more info on page XYZ)	Coping after a Terrible Medical Error Professor Simon Carley
11:10 – 11:35	The Future of Emergency Care for Patients With Mental Health Conditions Dr Peter Aitken	Drinking From the Firehose: Managing Volume with FOAM Dr Natalie May		How to Stay on Top of Your Game Miss Susanne Hewitt
11:35 – 12:00	The Science of Sports Medicine Dr Richard Usher	Conquering the Academic World with FOAM Dr Salim Rezaie		Resilience and satisfaction in the ED: finding the gold Dr Tajek Hassan
12:00 – 12:25	Alison Gourdie Memorial Lecture: Echo Tales of San Francisco Dr Carlos Lojo Rial	Q&A		View from the 4th trimester Dr John Heyworth
12:25 – 13:25	Lunch Break Exchange Hall Optional Lunch Session: Barts Health NHS Trust			
	Auditorium: TRAUMA Chair Dr Alastair Pickering	Charter 4: MARGINAL GAINS Chair Dr Nick Gili	Exchange 1: HOT CONTROVERSIES Chair Dr Richard Parris	Exchange 2 & 3: LIGHTNING PAPERS Chair Dr Dan Horner

13:25 – 13:50	Minor Head Injury. Probably Professor Jonathan Benger	How to Make Rapid Assessment Work in Your ED Dr Paul Jarvis	Primary Care Panel discussion Dr Clifford Mann And speaker tbc	RCEM Lightning Papers 14 x 7 mins (more info on page XYZ)
13:50 – 14:15	Trials and Tribulations in Paediatric Trauma Dr Ross Fisher	Gamification of training. Should we incentivise trainees to work smarter? Dr Nicholas Gili	Mental Health Dr Peter Aitken and speaker tbc	
14:15 – 14:40	The Things You Really Need to Know About Oral and Dental Trauma Dr Serpil Djamal	Is Triage Still Necessary in 2015? Professor Kevin Mackway-Jones	POCT Dr Paul Jarvis	
14:40 – 15:05	Managing Anticoagulated Patients Following Head Injury: The AHEAD Study Professor Suzanne Mason	Survival Guide: How to Work in An Overcrowded ED Dr Adrian Boyle	Do We Over-Investigate and Over-treat in EM? Dr Adam Reuben	
15:05 – 15:20	Refreshment Break Exchange Hall			
	Auditorium: THE ESSENCE OF EMERGENCY MEDICINE Chair Dr Dan Horner	Charter 4: SIM WARS FINAL Chairs Dr Jackie Hansen and Dr Kirsten Walthall	Exchange 1: EBM by RCEM (Grant awardees) Chair Dr Alasdair Gray	Exchange 2 & 3: Portfolio Careers Chair Dr Carole Gavin
15:20 – 15:45	Making Good Judgements Professor Simon Carley	Sim Wars: The Final Dr Jackie Hansen and Dr Kirsten Walthall	Can we TRUST a single troponin? Dr Edward Carlton	EM Under Starter's Orders - Major Trauma at the Grand National Dr John Murray
15:45 – 16:10	The Essence of Emergency Medicine: Dr Salim Rezaie		Prescription of analgesia in Emergency Medicine (POEM): progression report Dr James Sheehan	A Career in Medical Leadership Dr Chris Brookes
16:10 – 16:35	Healthcare in Humanitarian Environments Dr Amy Hughes		Study of Atrial Fibrillation in the Emergency Room (SAFER) and beyond Dr James Gagg	Splitting a Career between Emergency Medicine and Thrombosis Medicine Dr Kerstin Hogg
16:35 – 17:00	Please do not walk on the grass! Dr Chris Moulton		Setting research priorities in Emergency Medicine Professor Jason Smith	Working in a Sexual Assault Referral Centre Dr Carole Gavin
17:00	Close of Event
